

NOTICE TO MARINERS
RIVER RIBBLE - PRESTON

VEE-WALL BUOY

The Port mark buoy at the acute "vee" in the North training wall of the river at 9 7/8th miles west of Preston Dock at 53.43.839N, 02.28.965W has moved off-station.

Recovery works are underway and a further Notice to Mariners will be issued when the buoy has been returned to station.
