COVID 19 Revised Dock Operations

Following the announcement by the Government of the end of the second 'lockdown' and introduction of Tiered restrictions starting on the 2nd December, the main committee has agreed an update of the measures affecting Dock operations.

With effect from 2nd December and until further notice, the following changes to restrictions on Dock activity are:

- Sailing is ALLOWED
- Maintenance Activity is ALLOWED
- Launching and haul out is ALLOWED (subject to procedures defined separately).
- Recreational use of the Dock is ALLOWED
- Work parties Are ALLOWED but are not practical within Tier 3 restrictions.
- All Social Interaction between Household groups on Club property must comply with appropriate Tier group regulation, noting that the DOCK IS NOT A PUBLIC SPACE.
- The cabin and the garage remain closed and club equipment will not be available for use.
- The toilet will remain open, but should be self sanitised

These measures will be under continuous review as Government advice and Instruction changes.
