## COVID 19 Lockdown Dock Operations

The Government has announced that from 5<sup>th</sup> January England is subject to a further Lockdown and that:

- Government regulation requires you must stay at home except where you have a 'reasonable excuse'.
- Outdoor Sports Venues are Instructed to Close
- We are advised that Private Slipways and Boat Parks must Close.

Consequently with effect from 5<sup>th</sup> January and until further notice, the following restrictions on Dock activity apply:

- Access to the Dock is restricted to ensuring Security and Safety and for Essential Maintenance of Property.
- Sailing from the Dock is PROHIBITED
- Launching and haul out is PROHIBITED
- Recreational use of the Dock is PROHIBITED
- Work parties are Cancelled.
- Any Social Interaction between Household groups on Club property must comply with appropriate regulation.
- The cabin and the garage remain closed and club equipment will not be available for use.
- The toilet will remain open, but should be self sanitised.

Any member concerned about the safety or security of their vessel should contact the Dock Committee, who will be carrying out regular security patrols.

These measures will be under continuous review as Government advice and Instruction changes.
