

Ribble Cruising Club

COVID 19 Tier 4 Dock Operations

Following announcement by the Government that Fylde is to be elevated to Tier 4 level restrictions, with effect from 31st December and until further notice, the following restrictions on Dock activity apply:

- Within Tier 4, Government regulation requires that you must stay at home except where you have a 'reasonable excuse'. A reasonable excuse includes exercise. Sailing is classified as exercise.
- Sailing is ALLOWED for individual exercise, and with others from within their household, support bubble, or with one person from another household. Even though sailing is legally permitted, you should think very carefully about the associated risks to yourself and others.
- Self Launching and haul out is ALLOWED by individuals to facilitate sailing (subject to limits and procedures defined separately). Winch or Tug Assisted Launching and Haul out will not be supported.
- Maintenance Activity is ALLOWED but restricted to essential and safety related activities.
- Work parties are Cancelled.
- Any Social Interaction between Household groups on Club property must comply with appropriate Tier group regulation.
- The cabin and the garage remain closed and club equipment will not be available for use.
- The toilet will remain open, but should be self sanitised.

These measures will be under continuous review as Government advice and Instruction changes.
